

The Rowner Renewal Partnership site safety poster competition

Now you have had your talk on site safety from Taylor Wimpey, we want you to design a poster using this form. You can use crayons, paints, felt tips or anything – you can even download the form at www.rownerrenewal.com and use your computer to design it.

The main message of the poster should be to tell young people to stay away from building sites and “KEEP OUT”! Your poster should show how dangerous it can be on a building site. You could also come up with a catchy slogan for your poster.

We have three age categories for you to enter depending on which group you are in:
Siskin Infant School (age 3-7)
Siskin Junior School (age 7-11)
The Youthy (age 12-16)

The winner from each of the three age groups will receive a £50 high street voucher and the runner up from each age category will receive a £25 high street voucher.

The three winners will also see their poster enlarged on the site safety hoardings for the Rowner Renewal Partnership.

The closing date for entries is **Tuesday 5 January 2010** and these are to be posted into a box on the reception desk of Portsmouth Housing Association in The Nimrod Centre... so you have plenty of time... and what’s more you can get your mums and dads to help you with ideas.

During the week of 11 January 2010 we will display all the entries in The Nimrod Centre – the competition will be judged by Taylor Wimpey, as they know best about safety on building sites and what will show up well on the site hoardings.

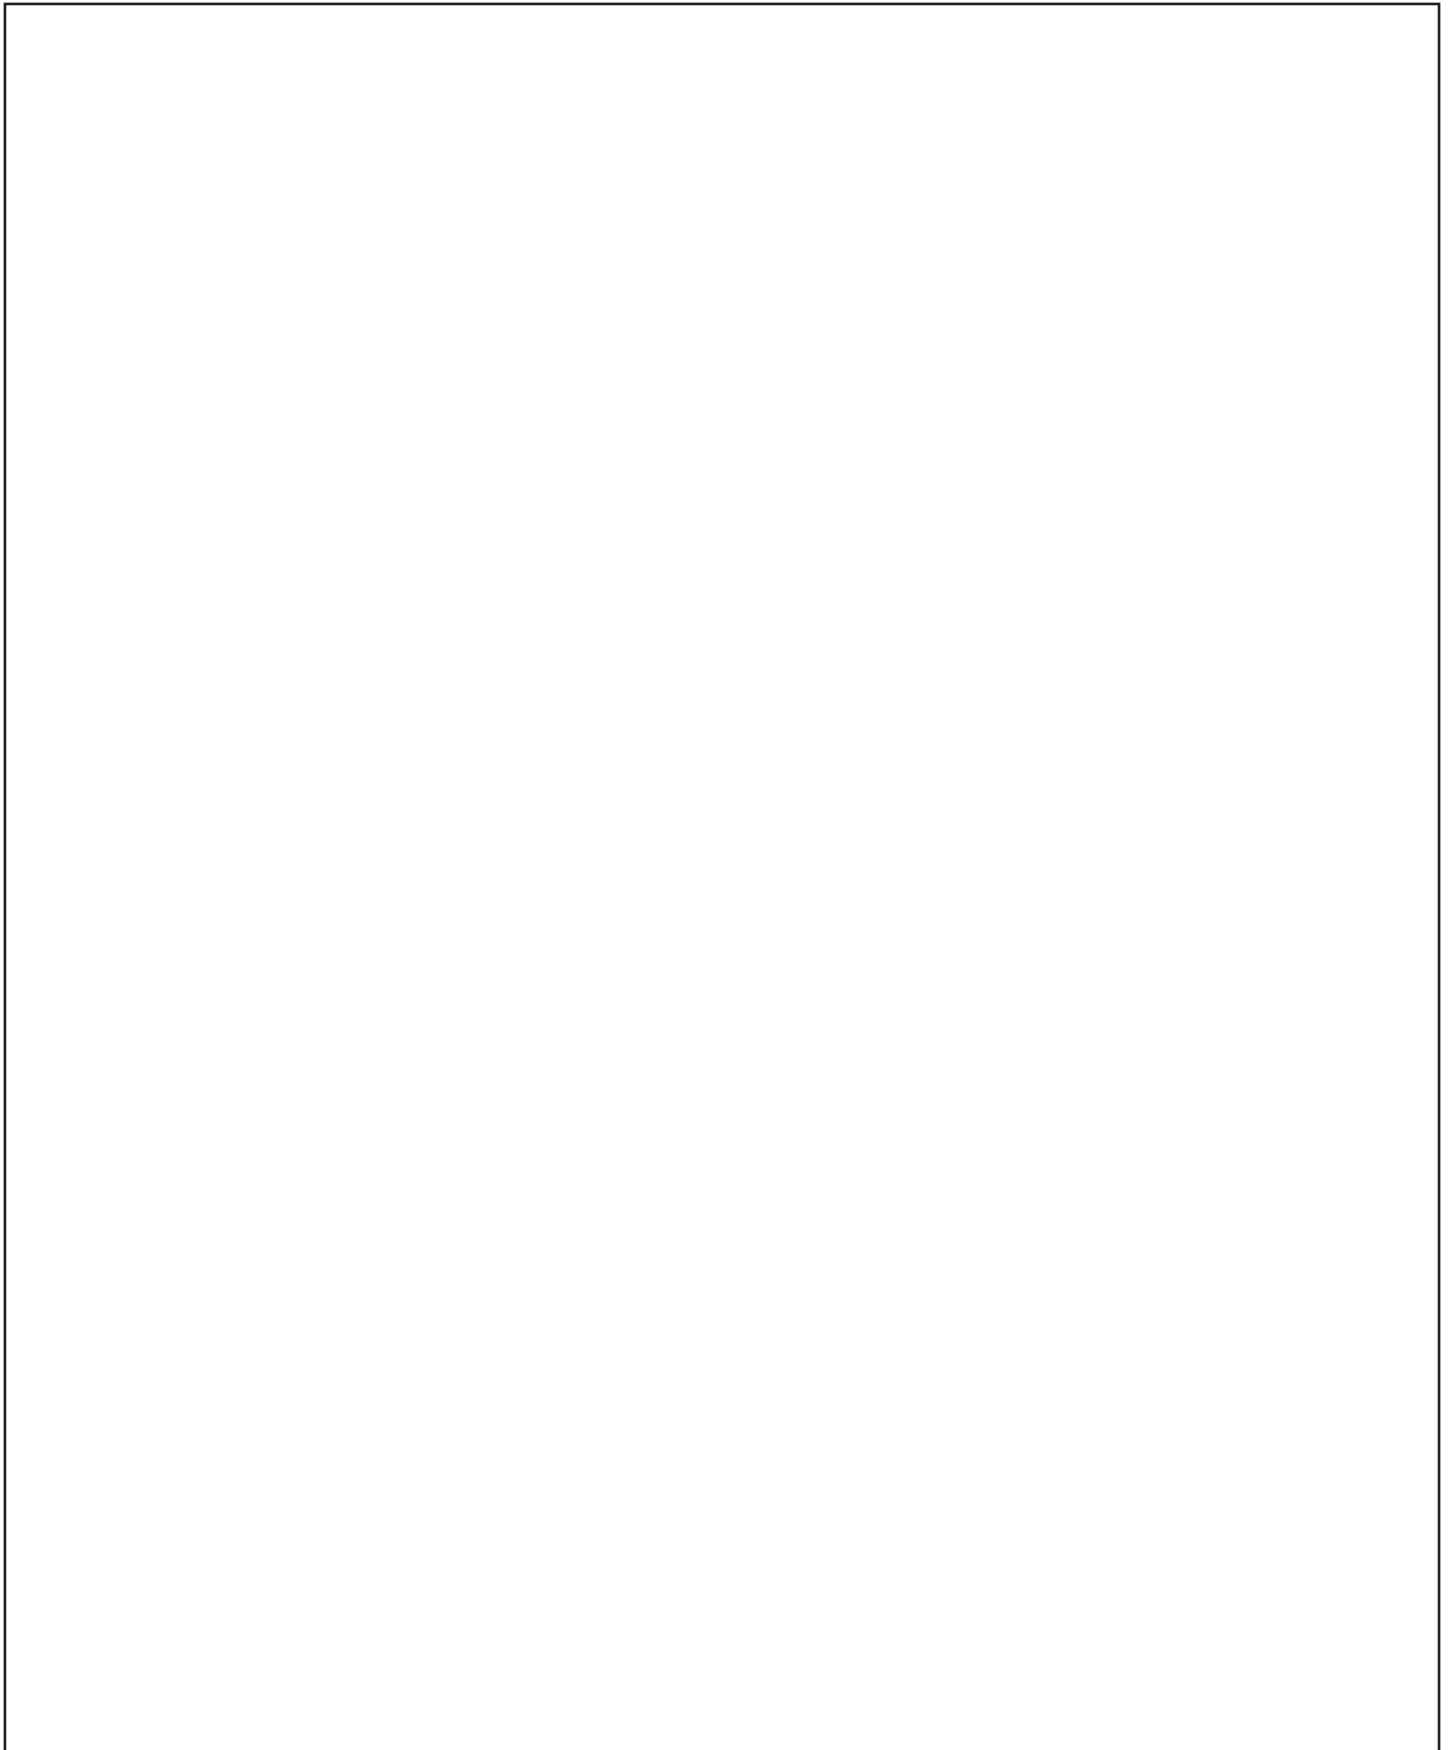

The winners and runners up will be announced at special assemblies in January and preparations will begin to put the winning posters up on the construction sites.

We look forward to receiving your entries. Please fill in the details over the page and begin your design. In the meantime please remember!...

- Stay away from all building sites
- If you see anyone going into one who you think shouldn’t, make sure you tell an adult
- Get them to ring the safety telephone number which is on the boards outside the building site

Good luck with your poster!

Design your poster in the box below
